

# DICK CASH BIOGRAPHY

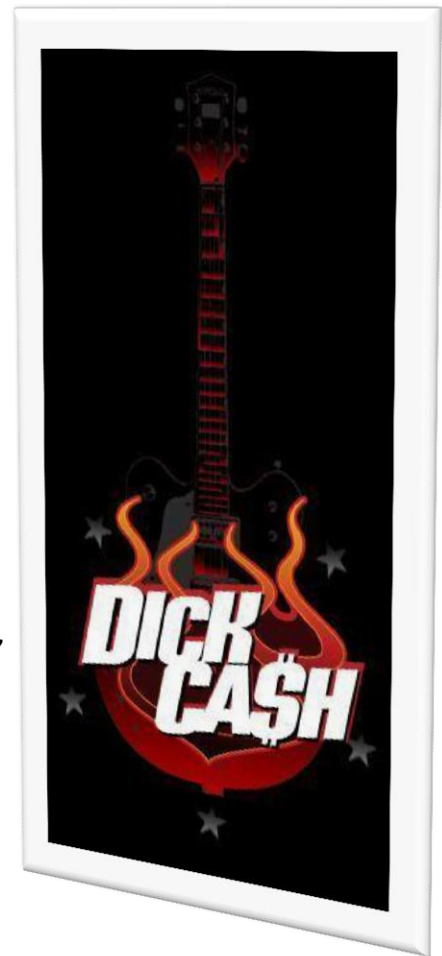

Dick Cash is more than just a rock band. Since 2007, Dick Cash has been a power trio that brings rock back to its original roots. Raw, hard driving tunes and tempos get people up onto their feet, and keeps the dance floor rockin' all night.

Dick Cash plays updated cover tunes from rock and country legends such as Johnny Cash, Carl Perkins, Dick Dale, Elvis, Link Wray, Eddie Cochrane, Rev. Horton Heat, Gene Vincent, the Stray Cats, and others.

Dick Cash also incorporate a number of "Top 40" and original tunes with catchy grooves and hooks. If a softer touch is needed, Dick Cash can also provide a semi-acoustic set with textured melodies and vocals.

Dick Cash has performed over 100 gigs. Among the venues:

# DICK CASH MUSICIANS

## **Ryan E. Hynd – Singer, Songwriter, Guitarist**

Ryan has been an avid fan of early Rock 'n Roll era music for as long as he can remember. In 1996, Ryan's 1<sup>st</sup> band "The Crawlers" rocked local venues, sharing the stage with Long John Baldry, Ray Condo, and The Bughouse Five to name a few. Firmly rooted in Rockabilly, blues, and surf music, his next band projects included HTR, and Slytone. He formed Dick Cash in 2007, to get back to the basics of primal rock 'n roll. Ryan also performs with Vancouver's "Roadhouse Juicedaddys". His gear includes his Gretsch White Falcon, his Vintage Gretsch Country Gentleman, and Fender Telecaster.

## **Torin Opper – Bass**

Born and raised in Vancouver, Torin picked up guitar in high school and got serious about bass guitar after university graduation. Since then he has been the bassist and/or band leader for a number of different bands focusing on Classic and 50's Rock. These have included The Electric Luddites, Various Positions, Brite Midnite, and most recently, Cruiser. Torin is a founding member of Dick Cash and has immensely enjoyed the 100+ shows performed. Torin's gear includes a custom made Stambaugh electric bass.

## **Bob Schwartz – Drums, Odd Noises**

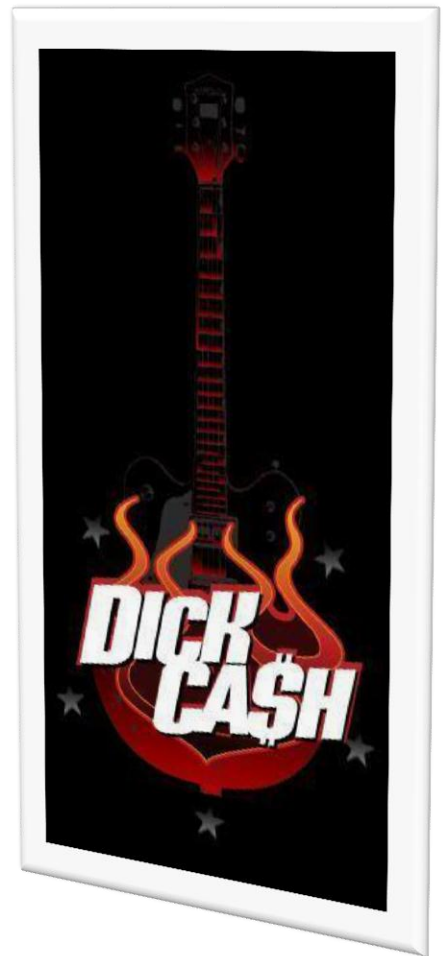

Brooklyn (NY) born Bob was a classically trained and performing percussionist, but like many other musicians of the day, was influenced by Motown, California surf music, and the British Invasion. Working with long-time friend and collaborator Max Kramer, Bob continues to contribute and record over 340 original tunes. Since settling in Vancouver, Bob became a founding and long-time member of the local performing band "Don't Tell Mom!", and has been the drummer for "Dick Cash" for the past 4 years. Bob gives back to the community as a member of the local fund-raising band "Mustang Sally" since 2004. Bob's gear include his Ludwig Classic American Maple drums, Dennett copper snare, and Pearl brass piccolo snare.
